

Sarah Constant
Managing Director

Sarah is responsible for managing development projects, building client relationships, and overseeing the company's day-to-day development operations. To date, she has closed more than \$200 million worth of deals during her career and has numerous projects in development.

Prior to joining Mission First, Sarah spent two years working for the Community Banking Group at Fleet Bank in Boston. There, she originated more than \$10 million in investor-owned real-estate transactions in targeted CRA markets, creating and preserving 600 units of affordable housing in the Boston market. Sarah also managed the city of Boston's multi-family rental and homeownership programs including HOME, CDBG, and the Neighborhood Housing Trust.

Sarah holds a Master of Business Administration from Boston University and a Bachelor of Arts in Urban Studies from the University of Pennsylvania.
